Charlotte's web

Once upon time there was a 12 year old girl called Fern. One stormy night Fern woke up. She went to the barn and saw that some piglets had been born. One of the pigs was very small. Fern decided to look after the small pig herself.

She called the pig Wilbur. In the morning Fern gave Wilbur a bottle of milk before she went to school. The school bus was moving and Wilbur ran after it.

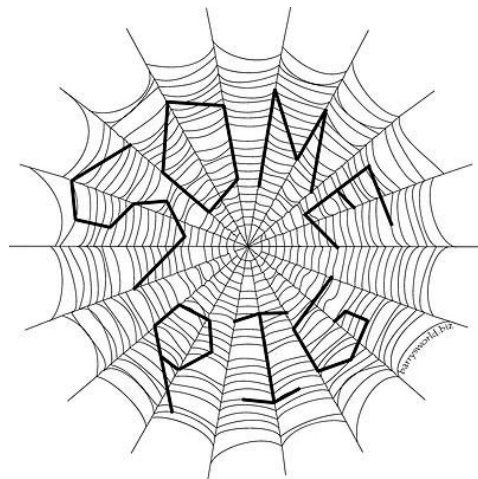

“Pig’s out!” the farmer shouted.

The farmer led Wilbur back to the barn. Wilbur was sad.

Then he saw a silver spider. The spider was named Charlotte.

“SPIDER!” shrieked Ike. “Get it away from me!”
Charlotte turned out to be very nice and Wilbur was her friend.

The other animals told Wilbur he was going to get cut into meat. Wilbur didn’t believe it at first. He then believed that he was going to get cut into meat. He was very sad. Charlotte had an idea, she made a web. It said “Some pig”.

A lot of people came to see the web, no one had ever seen a spider’s web like it before. Charlotte hoped that when everyone saw the words, “Some Pig” in the web, they would know that Wilbur was a special pig and he wouldn’t be turned into meat. She knew that Wilbur wanted to see the snow.

But it didn’t work. The farmer brought Wilbur to the fair. There was a big pig at the fair called

Uncle. Fern and a boy went on the Ferris Wheel. She made a new friend. Wilbur won a gold medal and everyone was proud of him.

Charlotte was going to die.

“You can’t die!” Wilbur cried, “Not here.”

Wilbur was so sad and in the end, Charlotte didn’t die .She was going to live with Wilbur in the barn.

Wilbur was very happy. Then it was time for Wilbur to leave. At spring the baby spiders came out! They stayed at the barn too!

They all lived happily ever after...

The End...
