

Fun at the Zoo.

Last week Tariq, Tommie, Donkey, Marshmallow, Janne, Kitten and Leo went to Spain on Holidays. They went for a day trip to the zoo. When they arrived at the zoo they saw Chocolate in the monkey section. Everyone was happy but Tommie had a funny feeling that something bad was going to happen.

They went to the tiger section. Donkey and Marshmallow tried to feed the tigers. The tigers grabbed Marshmallow and Donkey into the tiger space. Marshmallow and Donkey were scared. Tommie and Tariq were furious. Leo, Tariq and Tommie jumped in to save their friends. Kitten talked to the tigers. She asked the tigers not to pull any more of their friends in.

Five minutes later Tariq rescued Marshmallow. Tommie rescued Donkey. Immediately all the friends ran out of the tiger's cage. They were all safe again. It was a dangerous but fun day.
